

"ORDER NUMBERS."

Order Numbers Drawn. J. E. Adams
First in Fulton County.

[illegible]

Not far from FARMINGTON, N. J., James Earl Ray, of Washburn, Ky., in the PLAINFIELD area, the first number of the "series" was sold to James J. Callahan, of Princeton.

Callahan, who is a professional computer, has the 17,000 numbers he mailed Saturday to the many from 4,500 local television records in the United States. With the lists went instructions to the reader to be used in identifying criminals so that no difficulty now be found in fixing the order of some of the 16 to 37 number change.

Callahan says the first ones for the "modified series."

F. B. Ward writes us that he has a new son at his home. He arrived Oct. 15th and has been named Fred Bryan. He, Mr. and Mrs. Ward now reside at Shaker, Tenn.

Liberty Bonds Will be Ready For Delivery October 21th.

According to the official notice re-
cently to Chairman W. C. Reed,
Fourth Liberty Loan bonds will be
ready for delivery starting 2:45. They
will bear interest at the rate of 3 1/2
per cent per annum, and will mature
December 15th, 1945. Interest will be
payable April 15 and October 15 of
each year. The first interest pay-
ment is April 15, but will be for
1 1/2 years. Since it is of importance
in purchasing bonds to finding out to
know. To the bonds with a view to
simply thinking a patriotic obligation
that serving them is pure patriotism
and creates the principal accomplish-
ment which a national loan is sup-
posed to effect.

His old friend H. C. Burch came up from Arkansas City Friday, to spend a few days with relatives and friends at Hickman.

The more bonds you buy the fewer boys will die!

"brighter and smarter
than ever"

That is the general run of comment we hear from all who have seen our new shoe styles for Fall—and you will agree, when you come in and see them for yourself.

Since longer skirts have come into vogue the extra high shoe tops are no longer necessary; and this too is right in line with our Government's wishes that "Leather be Conserved."

In spite of the fast mounting increase in all manufacturing costs we have by careful and early purchasing been able to offer these new Fall Styles at very reasonable prices.

New Castle, Ind.—"The measles left me run down, no appetite, could not rest at night, and I took a severe cold which settled on my lungs, so I was unable to keep about my housework. My doctor advised me to take Vinol, and six bottles restored my health so I do all my housework, including washing. Vinol is the best medicine I ever used."—Alice Record, 437 So. 11th St., New Castle, Ind.

We guarantee this wonderful cod liver and iron tonic, Vinol, for all weak, run-down, nervous conditions.

TURKEY NEXT.

Surrender of Turkey Looked For in Next Forty-eight Hours.

On the basis of the surrender of Bulgaria, the peace proposals of Germany and Austria, and the fact that Turkey is expected to collapse within the next few hours, the Turkish situation has been suggested as a possibility of immediate action at Constantinople.

In the meantime, the Greek Army, which has been advancing rapidly, has been reported to have captured the city of Smyrna, and the Greek flag has been hoisted on the city walls.

CAVE NEWS.

Mr. Jerry Johnson, a local boy, has been reported to have been captured by the Greek Army, and the Greek flag has been hoisted on the city walls.

Some high school girls in New York city are going to earn their \$5 by selling their own shoes instead of stopping at the Greek stand on their way to school and by making their own sandwiches for their noon lunch.

Forward!

With no thought of bursting shrapnel and poisonous gases into which they plunge—with every muscle tense, with every faculty of mind alert, with one thought only—**TO FIGHT AND WIN.**

That is the way our men are going into battle. When the shrill whistle sounds the advance, out they go—their whole heart in the task before them. *No power on earth can hold them back.*

Forward!

The same sharp challenge to battle is sounding for us. We must answer in the same proud way—the way of our fighting men—the American way. *We must lend the way they fight.*

We must show the war-maddened Hun a united American people moving forward shoulder to shoulder, irresistibly, to Victory.

Our task is to supply the money, the ships, the guns, the shells that we must have to win. It is a tremendous task. We must do our part as our fighting men do theirs—with the indomitable spirit of Victory.

We must work, and save, and lend with one thought only—**TO FIGHT AND WIN.**
